## ***Senate Caucus on Foster Youth & Financial and Economic Literacy Caucus***

**Monday, June 16, 2014  
3:30 to 5:00pm  
Senate Russell Room 325**

Join the Senate Caucus for Foster Youth and the Senate Financial and Economic Literacy Caucus to discuss financial literacy for foster youth. With approximately 400,000 youth in foster care and more than 23,000 individuals who “age-out” of the system each year, the need for financial literacy is crucial for foster youth. This joint caucus event will feature foster youth who will share their experiences as well as child welfare advocates and leaders from the financial services industry. We hope everyone will learn something new, share best practices, and provide suggestions for improved policies to help foster youth obtain the tools they need to make informed financial decisions.

This event is sponsored by:

Co-chair of the Caucus on Foster Youth

**Senator Jack Reed**
